Are you tired of hearing “you’re doing it wrong”? We cannot live as our Ancestors did, nor should we want to, but we can and should learn from them, and then take those lessons forward into our modern world. That is the soul of what it means to be a Norse Witch to reclaim the Heidrinn Heart. Celebrating the Spirit of the Norse Tradition, rather than treating History as the Letter of the Law, Norse Witch by Connlí Freyjason invites you to journey down a spiritual path, shining with the lyrical colors of the Northern Lights.

Highlights of that journey include:

- Devotional Acts
- God/Deity
- Óðinn
- Wight-Walking
- Runes
